To Our Friends at Lighten UP Calgary,

Thanks to generous community members like you, your gift of 305 pounds of Mixed Food helped improve the lives of thousands of Calgarians. Each month, an average of 10,000 people receive food through the Emergency Food Hamper program. Of those who came to the food bank, 31% reported working, 64% were families, and 34% were children. Because of you, the Calgary Food Bank provides fresh, healthy foods such as fruits, vegetables, meat, and dairy.

As the cost of living continues to increase, your contribution has an even greater impact today.

"With the cost of everything going up, buying food is becoming increasingly more difficult. The food bank has allowed me time to get caught up on bills while still being able to put meals on the table each night." - Calgary Food Bank Client

Despite the unprecedented demand, we continue to be inspired by the kindness and generosity of donors like you. We are grateful for your donation.

Sincerely,

Melissa From
CEO & President
